Season Highlights and Features

- Optional side-action cash CTPs every week.
- Large and fast-growing ace pool open to everyone every week.
- **All first time women players receive a \$20.00 merchandise credit with Par 72 Disc Golf, redeemable at any time.**
- At least eight Sundogs with the course closed to the public, and we're working for more.
- Four Sundog Mixers this year. This means we will card random mixed grouping of divisions so that all players have the opportunity to play with people they haven't before, and so that Ams can play with Pros once in a while. This will include flex starters, by way of 3 scheduled shotgun starts beginning soon after 2:00.
- While disc-lights will be allowed and available, new early tee times on first four and last four nights should eliminate playing in the dark.
- We're going back to the fan-favorite Bryant Lake, and HSSA will light up the course for us on the early and late dates.
- Sundog finals party and awards at Kaposia, of course! Open to all who played Sundog plus guest.
