Season Highlights

- Optional side-action cash CTPs every week.
- Large and fast-growing ace pool open to everyone every week.
- All first-time women players receive a \$20.00 merchandise credit with Par 72 Disc Golf, redeemable at any time.
- Two new courses on the schedule: Crown College DGC in St. Bonifacius and Castle Rock DGC near Castle Rock.
- At least eight Sundogs with exclusive-use (course closed to the public play during league), and we're working for more.
- Three Sundog Mixers: we card divisionally mixed groups so players can play with new people, and so Ams can play with Pros.
- While disc-lights will be allowed and available, early tee times on first four and last four nights should eliminate playing in the dark.
- We're going back to the fan-favorite Bryant Lake, and HSSA will light the course for us on the early and late dates for late play.
 - Sundog finals party and awards at Kaposia, of course! Open to all who played Sundog plus guest.
